

**Project Title:** 'I and the other'

**Type Of Project:** art workshop

**Project Executors:** Aysel Alver-

**Project Dates:** 09.2014

**The Project Description:**

This project is an art workshop to discover personal features and have an observation to make a personal research by each one on themselves.

It is expected that the participants to focus on something they think is characteristic of them. They will express their decisions about this characteristic as that is someone else, with papier mâché sculpture technic as they are toys.
